# SS25 FITNESS STUDIO MAT

SS25 REEBOK FITNESS CATALOGUE

## HIGHLIGHTS

Ideal for a wide range of training styles, the studio mat's design withstands constant and high impact use. Made from a high-density polymer resin, the 10mm thick mat is ideal for any ground-based exercise, balancing durability with a comfortable and supportive feel. More hardwearing than a traditional foam mat construction, the polymer Studio Mat maintains its form and performance class after class, both in a studio or home setting.

-  Surface: 100 x 50cm
-  10<sup>+</sup>mm 10mm thick high-density polymer resin
-  Provides a more comfortable and supportive feel
-  Durable construction withstands constant use
-  Two metal eyelets for storage on mat racks
-  Easy to wipe clean post-workout

# — STRENGTH SERIES WEIGHT VEST

SS25 REEBOK FITNESS CATALOGUE

## HIGHLIGHTS

Bringing more intensity to your workouts, the Reebok strength series weight vest ramps up your sessions for potentially progressive training. Helping to tax your muscular and cardio endurance, the vest makes any movement more effective; taking a toll on your muscles for more challenging fitness.

Strategically constructed for total balance and stability, the vest's enclosed weight pouches maintain a natural body feel for enhanced but un-effected training. Secured tightly with dual buckle fastenings, the vest stays put through demanding and energetic sessions; helping you push towards a new fitness baseline.

-  Boosts your training intensity
-  Strategically placed weight for balance and stability
-  Dual-buckle fastenings for a locked-in fit
-  Laser-cut ventilation encourages airflow
-  One size fits all

## HIGHLIGHTS

Designed to combine a strong grounding with greater comfort, the Reebok 4mm yoga mats find the perfect middle-ground for more rooted poses. Ideal for both Yoga and Pilates, the mat features a subtle non-slip texture on both its top and bottom surface, providing the extra grip needed to achieve stronger and more aligned positions.

- ✦ 173 x 61cm surface area
- 4<sup>mm</sup> 4mm thick for greater stability
- ≡ Medium density
- ☑ Durable with a compact but pliable texture
- ▣ Bobbled surface texture aids grip
- ▣ Bobbled base texture improves floor traction
- 🌀 Lightweight and rollable for tidy storage
- 🌀 Carry string included
